Dear Noreen Ippolito,

As a listener of your station, I am urgently requesting that you immediately stop airing the misleading ads attacking Proposition 56. These ads are false. Proposition 56 saves lives and protects our children by keeping them from smoking and by funding school-based tobacco prevention & cessation programs. So when Big Tobacco runs ads falsely claiming that no money from the proposed tobacco tax would go to schools, they're lying.

I lost my Mom, her father and my sister to smoking related cancers and emphysema. I hate tobacco companies. They are up to their old tricks, look at movie product placements, lead actors smoking like its the 60s. It violates their settlement terms. Stop this please.

Thank you.
